

DEPARTMENT OF PEDIATRICS
ANNUAL EVALUATION OF PCCM FELLOWSHIP PROGRAM

Please comment on the following for the fellowship program. In addition, feel free to provide additional comments about the educational effectiveness of the program in general.

1. Based on the rotations during which you have the most fellow contact, please assess the educational effectiveness of the organization and structure of that rotation.

What suggestions do you have for improvement?

2. What is your assessment of the educational effectiveness of the teaching opportunities and didactics offered to fellows on your rotation?

What suggestions do you have for improvement?

3. The educational objectives for fellows on your rotation are available on the divisional web page. Do they accurately reflect the educational needs of fellows?

If not, what suggestions do you have for improvement?

4. List the three greatest strengths of our PCCM fellowship program:

1. _____

2. _____

3. _____

5. List your top three suggestions for improvement for our PCCM fellowship program:

1. _____

2. _____

3. _____

6. Additional comments and/or suggestions:
