What's New?

Medical Education Certificate Program

Accompanying McGaw's certificate program in [Global Health](#), we have added a program for Medical Education led by Karen A. Mangold, MD, MEd

- Informational meetings held in July
- Applications open mid-July, due by August 1
- 25 current participants
- Decisions on acceptance by August 15
- Participants attend Program Orientation during Med Ed Day
- Must complete all requirements over 22 months
- Presentation of Scholarly Projects and Completion Ceremony in June

What's New?

Transition to Full Implementation of New Innovations

- Letters of Agreement
- Full schedules for all residents and fellows
- Leave tracking
- Complement tracking
- Payroll processing
- Annual federal reporting
- McGaw budget planning

- **FUTURE:** Agreement management

What's Next?

What's Next?

Sign-Out & Certificates of Completion

- **Completion of Training/Transfer Form – Due May 8, 2017**
 - If a resident must make up any training time as a result of having taken leave (e.g. maternity, long/short-term disability, et al) or due to remediation, their training requirements must be satisfied prior to promotion or graduation. Please refer to your program's ACGME and ABMS requirements.
- **Certificate Request Form – Due May 8, 2017**
- **Sign-Out Sheet** – Resident to deliver to GME at the end of their final day of training.
 - Unless otherwise pre-arranged by the Program, residents will collect their certificates of completion when dropping off their sign-out sheet in the [GME Office](#).

What's Next?

- **New Housestaff Onboarding – currently in-process**
- **New Housestaff Hospital Orientations**
 - **Base Hospital-specific**
 - **Residents June 23rd**
 - **Fellows generally on July 1st**
- **Annual McGaw Compliance Check List in NI**

THANK YOU!
