

Dear McGaw residents and fellows,

Primary care is important for all adults and an annual appointment for wellness is covered under your health insurance. While you may see any physician you choose, we thought it would be helpful to provide information about NMG physicians accepting new patients at a variety of convenient locations.

Mental health provider information:

Meridian Psychiatric Partners

625 N. Michigan Ave., Ste. 2550 / 312-640-7740

A large group practice of 8 excellent, very experienced psychiatrists, 3 psychology PhD's, and an LCSW who treat many physicians and medical trainees. They are a preferred provider for BC/BS. The location is convenient, only two blocks from NMH. They can do initial evaluations, medication management, and individual and couples therapy. All medical records are private within the Meridian group.

Cathedral Counseling

50 E. Washington St., Ste. 301 / 312-252-9500

A large, high-quality mental health clinic with excellent psychiatrists, many of them graduates of the McGaw Psychiatry residency program. They take all insurance and can arrange for reduced fees, if necessary. Location is a short bus/cab ride down Michigan Avenue.

Northwestern Medical Group

446 E. Ontario St., 7th Floor / 312-695-5060

This is the outpatient clinic for attending faculty members in the Northwestern Department of Psychiatry. The clinic takes BC/BS. There will be a medical record in Epic, but only Psychiatry faculty can access content of notes.
